

2021 REACH Declaration on 1907/2006/EC

Regulation 1907/2006/EC – the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH) addresses substances on their own, in preparations, or as substances in articles. Gulmay Ltd. products are classified under REACH as articles with substances not intended for release. Gulmay Ltd. has evaluated its component products and shipping materials and determined that none contain any of the two hundred and eleven (211) currently identified substances of very high concern (SVHC) in excess of the 0.1% (by weight) threshold as published on March 22nd, 2021. Moreover, Gulmay Ltd. has evaluated its components products and shipping materials and has determined that none contain any of the restricted substances stated in the current version of Annex XVII defined in Article 67 of the REACH Directive.

All products of Gulmay Ltd. were evaluated, as below.

- MP1 Control Panels
- Lab I/O Boxes
- UC & FC Generators
- CF Generators
- GX Generators
- CP Generators
- UD Generators
- TMB Generators
- iFC Generators

We, as a supplier are legally obliged to inform our customers of any SVHC used at levels of 0.1% and above by weight. Gulmay Ltd. will continue to monitor any amendments to 1907/2006/EC and will perform its reasonable due diligence by obtaining necessary evidences from its supply chain regarding compliance of its component products and shipping materials.

The component listed in Appendix 1 (sub-components used to build multi-component articles) have been declared by our supplier as SVHC > 0.1 % (weight by weight). Consideration is to be made when tampering, disposing or replacing of the listed components.

The information on Gulmay Ltd. products in this letter is based upon information provided by the material suppliers and assembly manufacturers used by Gulmay Ltd. to manufacture these products. As such, Gulmay Ltd. makes no independent representations or warranties, expressed or implied, and assumes no liability in connection with the use of this information.

Thank you for your interest in Gulmay Ltd. products.

Appendix 1

Gulmay Ltd. Part Code	Brief Description of Part	Part is used in the following product	Substance Name	EC No.	CAS No.	Inclusion Date	Impacted Products
H392	FAN - AXIAL - 24V - DC - 60MM	Chassis (CF & GX Generators)	Lead oxide	215-267-0	1317-36-8	19/12/2012	C
			N,N-dimethylacetamide (DMAc)	204-826-4	127-19-5	19/12/2011	C
			Lead	231-100-4	7439-92-1	27/06/2018	C
H190	FAN - AXIAL - 24V - DC - 60MM	Chassis (FC, iFC, UC, UD, TMB, CF & GX Generators)	Lead oxide	215-267-0	1317-36-8	19/12/2012	C
			N,N-dimethylacetamide (DMAc)	204-826-4	127-19-5	19/12/2011	C
			Lead	231-100-4	7439-92-1	27/06/2018	C

Note:

- Status of SVHC content for products:
 "C" = Content of 0.1%W/W or more
 "N" = Content of less than 0.1%W/W by intentional use.
 The other SVHC Substances not indicated on this chart are not for intentional use and content of less than 0.1%W/W.
- The amount of a substance declared is the maximum content (%W/W) for the products of each series.
- This list is based on SVHC content information provided by our suppliers. This content is subject to change without prior notice and any obligation on the part of the manufacturer
